*Trip budget: Nol card AED 25 (includes AED 19 of credit) + AED 10-15 top-up. The whole journey costs about AED 20 in Gold Class (~AED 13 standard).
Total time: about 1 hour.*

Follow the Metro signs

After you exit arrivals at DXB Airport, look up: follow the blue overhead signs with the train icon that read **Metro** (the Taxis sign points the other way).

Walk to the Metro link

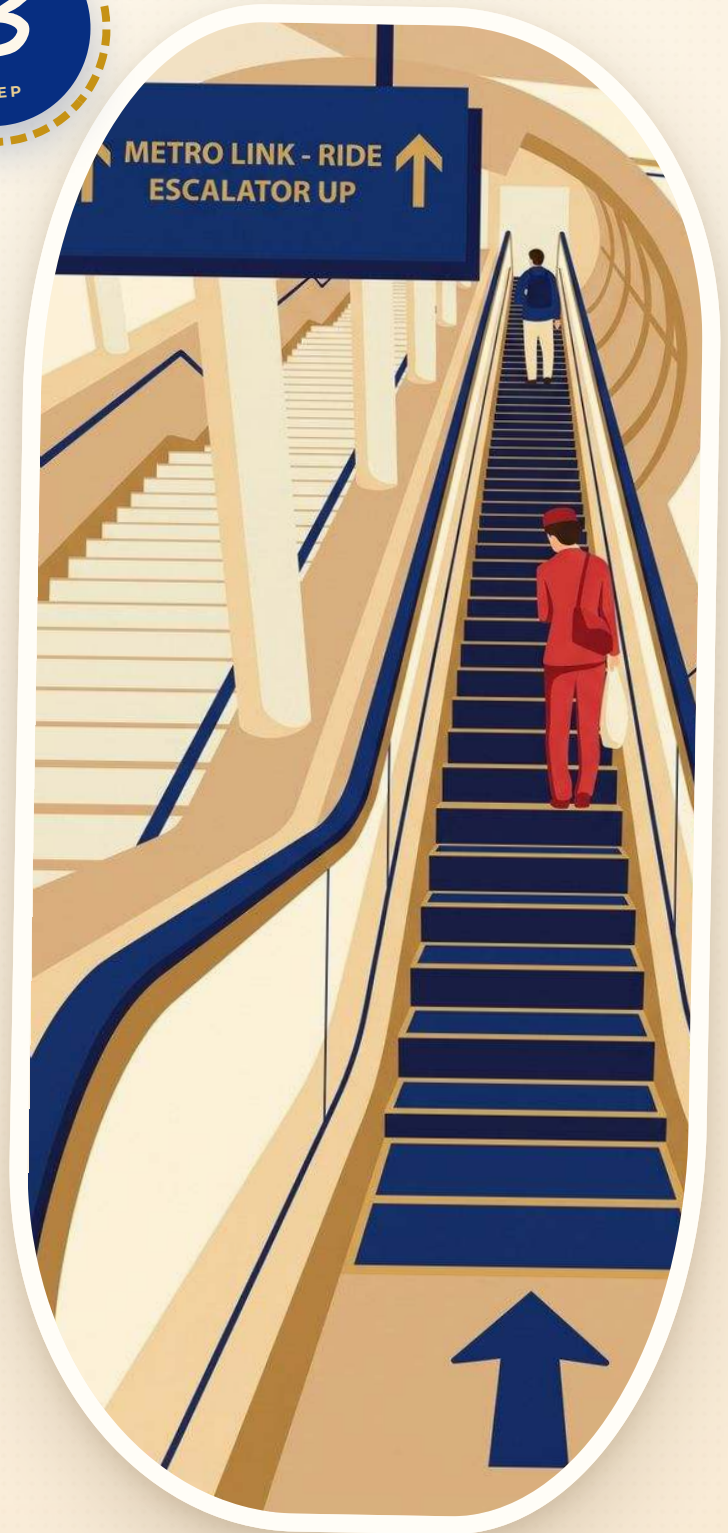

Keep walking along the corridor until you reach the Metro entrance — you will see the navy **Metro** sign and a timetable pillar.

Go up the escalator

Ride the long escalator **up** to the station bridge.

*"It's a long one! No rush
— let it carry you."*

Find the Ticket Office

In the ticket hall you will see the teal Nol machines and the **Ticket Office** counter.

Buy your Nol card

Go to the counter and ask for a **Nol card**. It costs **AED 25** and already includes AED 19 of credit. Top it up with AED 10–15 extra for this trip.

Gold or Silver?

There are two cards: **Gold** lets you ride the premium Gold Class cabin (double fare, quieter, guaranteed seats at busy times); **Silver** is the standard card and costs the same to buy.

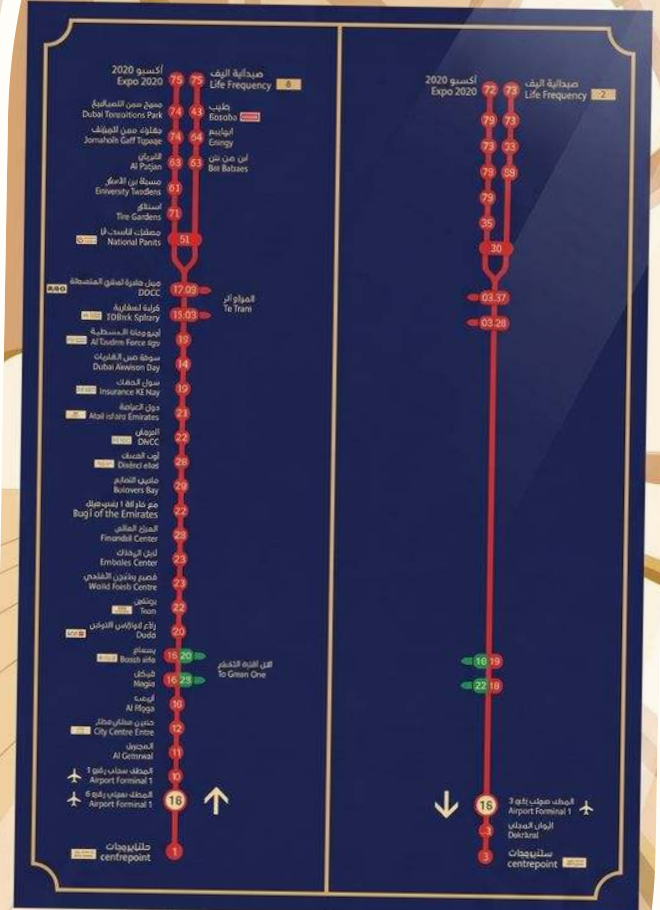

*"Quiet ride and a seat?
Gold! Saving dirhams?
Silver."*

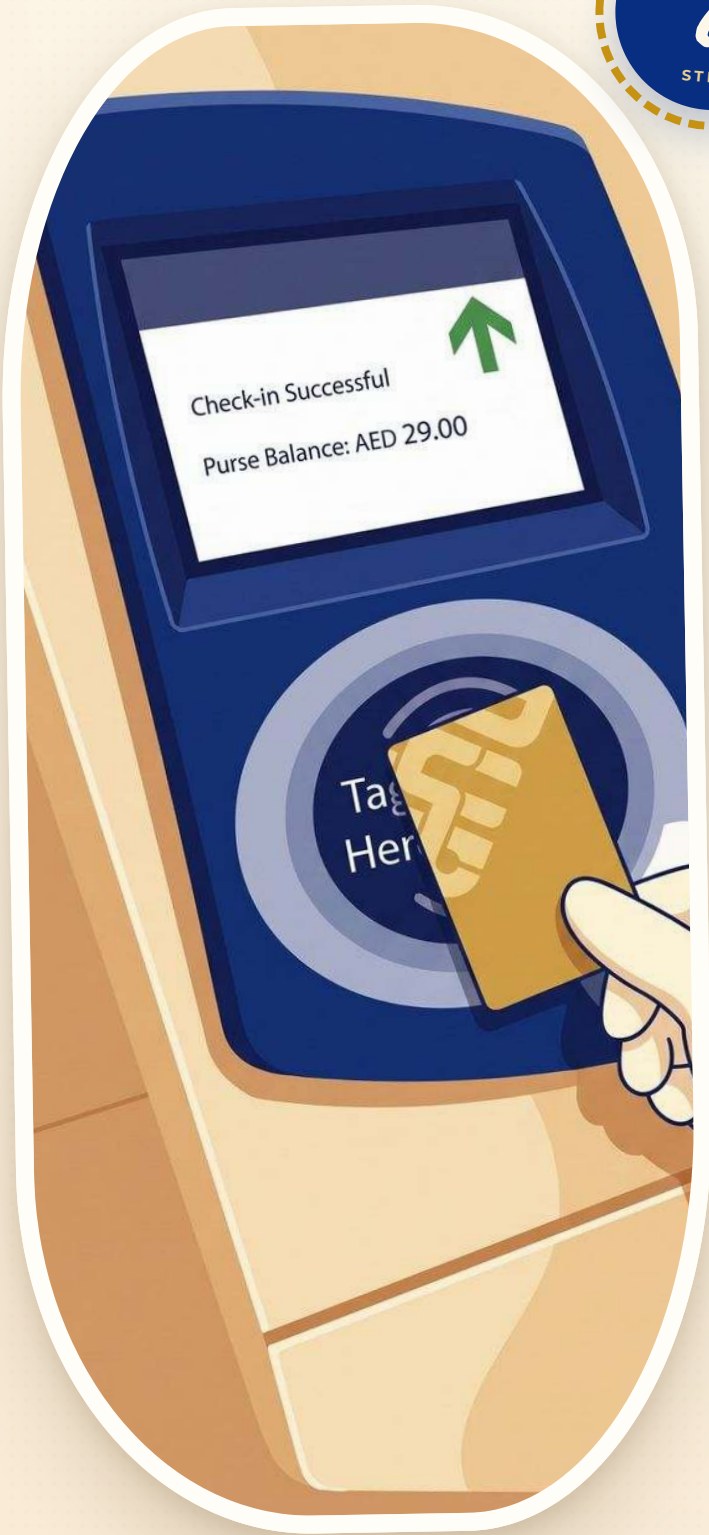

Check the route map

You will ride the Red Line. Find Mall of the Emirates on the map — that is where you get off.

"Count the stops: you get off at 32."

Tap in at the gate

Tap your Nol card on the round pad of the gate. The screen will show “Check-in Successful”.

“One beep and the screen says Check-in Successful. You’re in!”

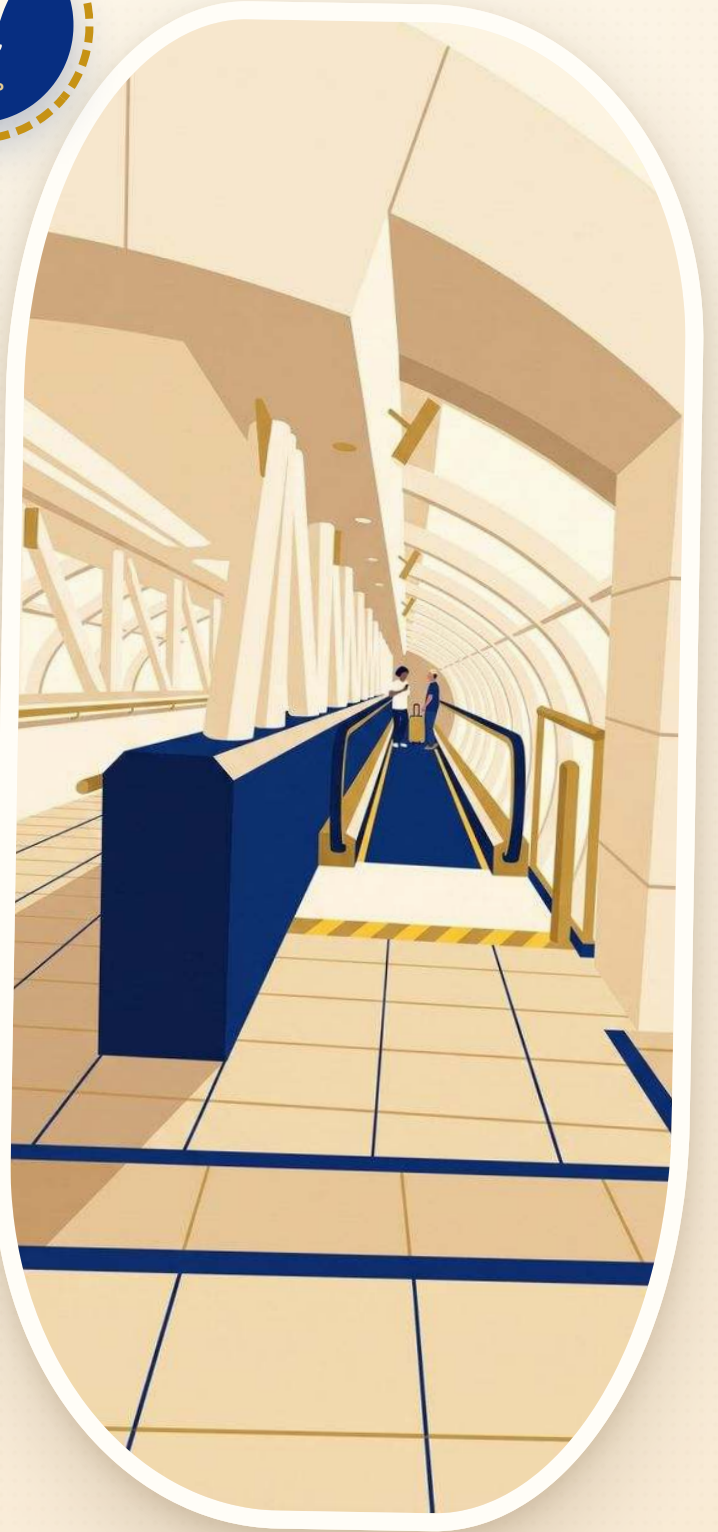

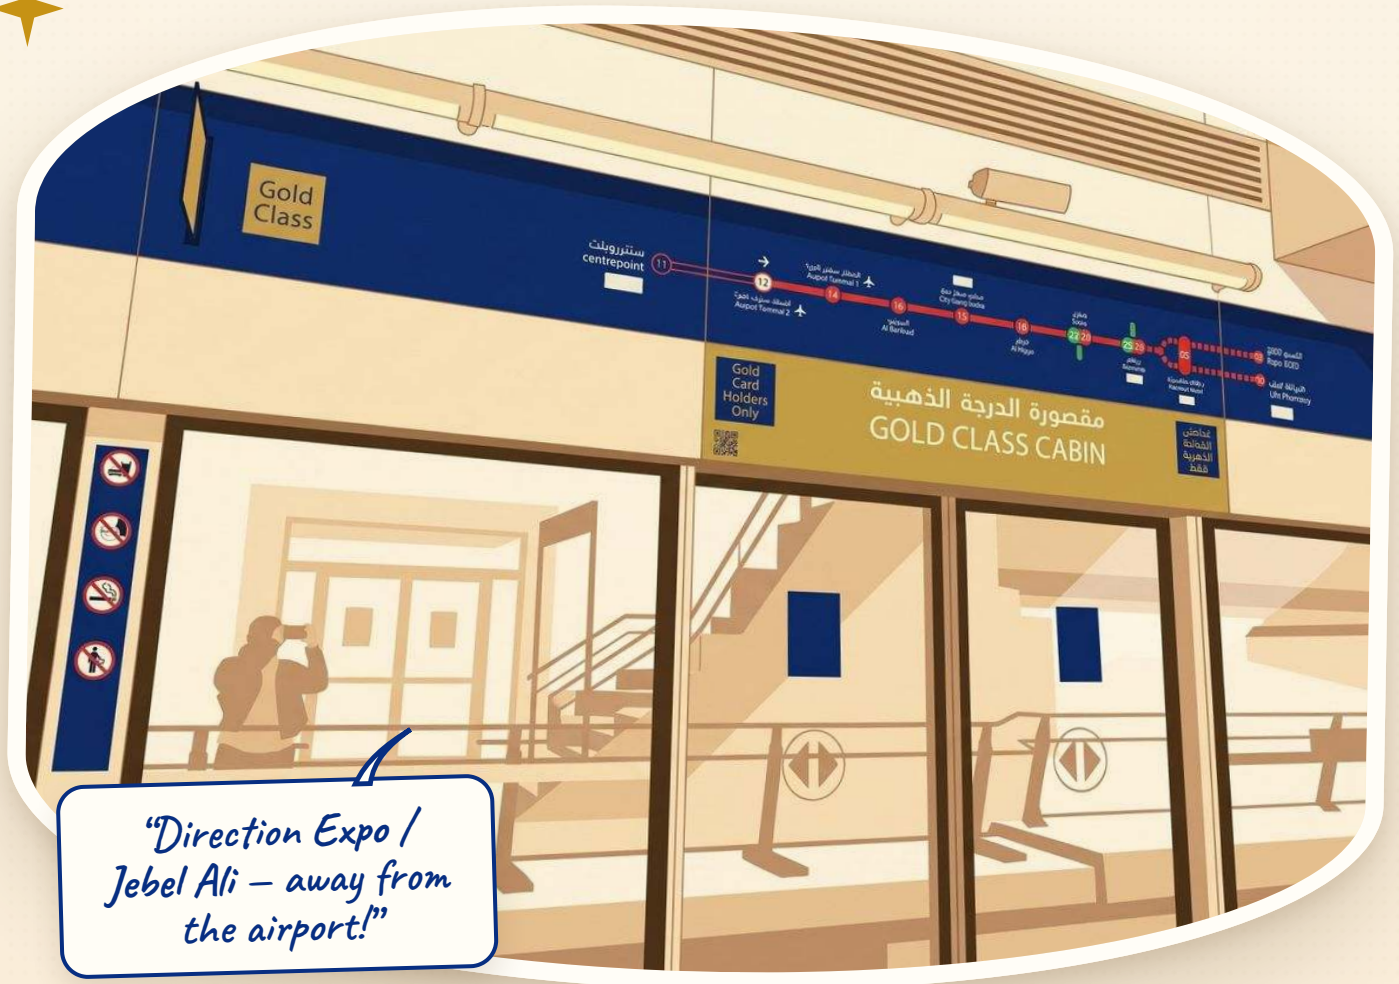

Take the walkway

Follow the moving walkways to the platform.

"Let the walkway do the work... you enjoy the ride."

Board the train

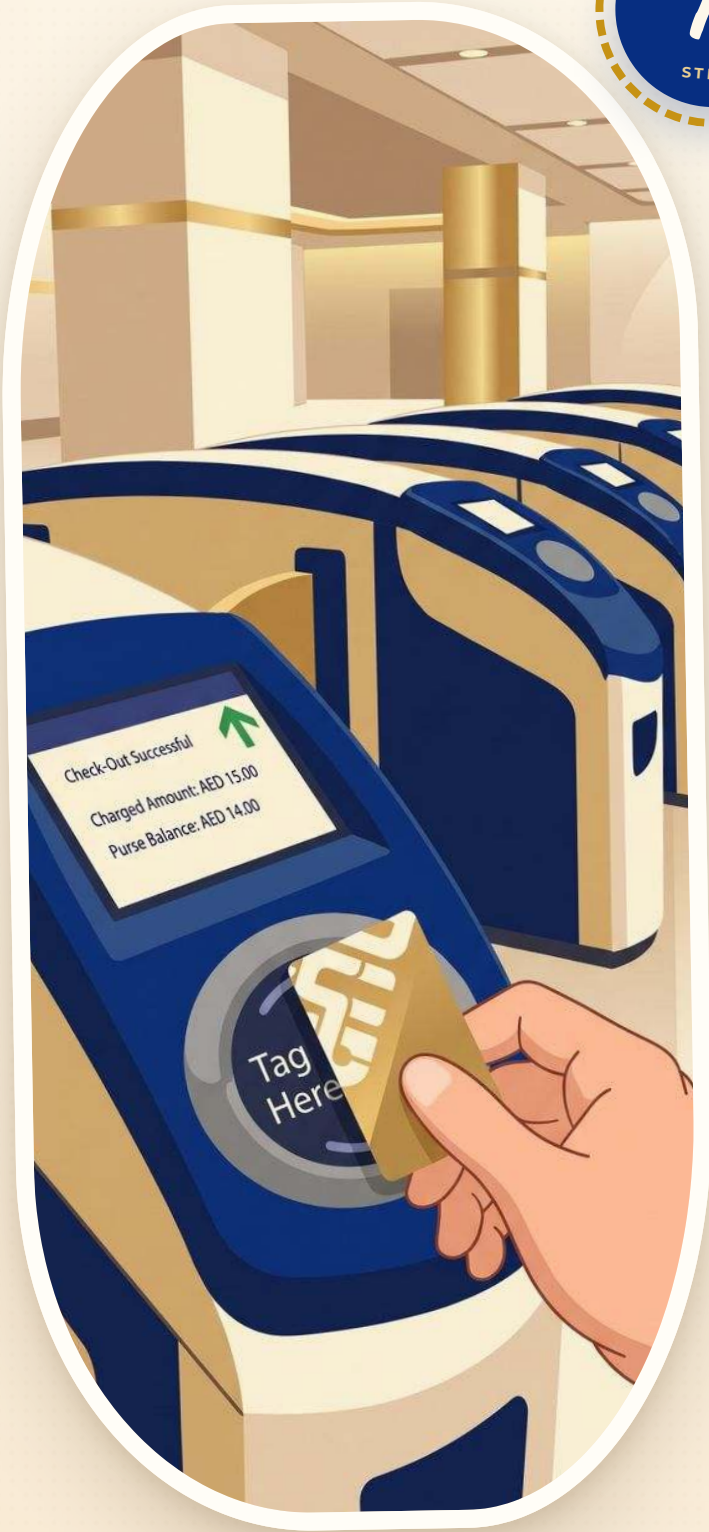

Board the train heading **away from the airport** (direction Expo/Jebel Ali). If you have a Gold card, look for the **Gold Class Cabin** sign at the end of the platform. Ride about 35 minutes.

Get off at Mall of the Emirates

Watch for station 32 — Mall of the Emirates and get off there.

Tap out to exit

Tap your card again at the exit gate to pay. With a Gold card the airport–MOE ride is **AED 15** (about AED 7.50 in standard class).

*"With Gold it's AED 15.
Almost there!"*

Take the lift to Level 1

Walk on and follow the sign "To Mall of the Emirates Bus Station". Take the lift down to Level 1.

You are at the Bus Station

When you exit, you will see the Mall of the Emirates Bus Station right there.

Find stop 5 — bus J01

Look for **stop number 5**: that is where bus J01 to JVC departs.

Confirm the J01 sign

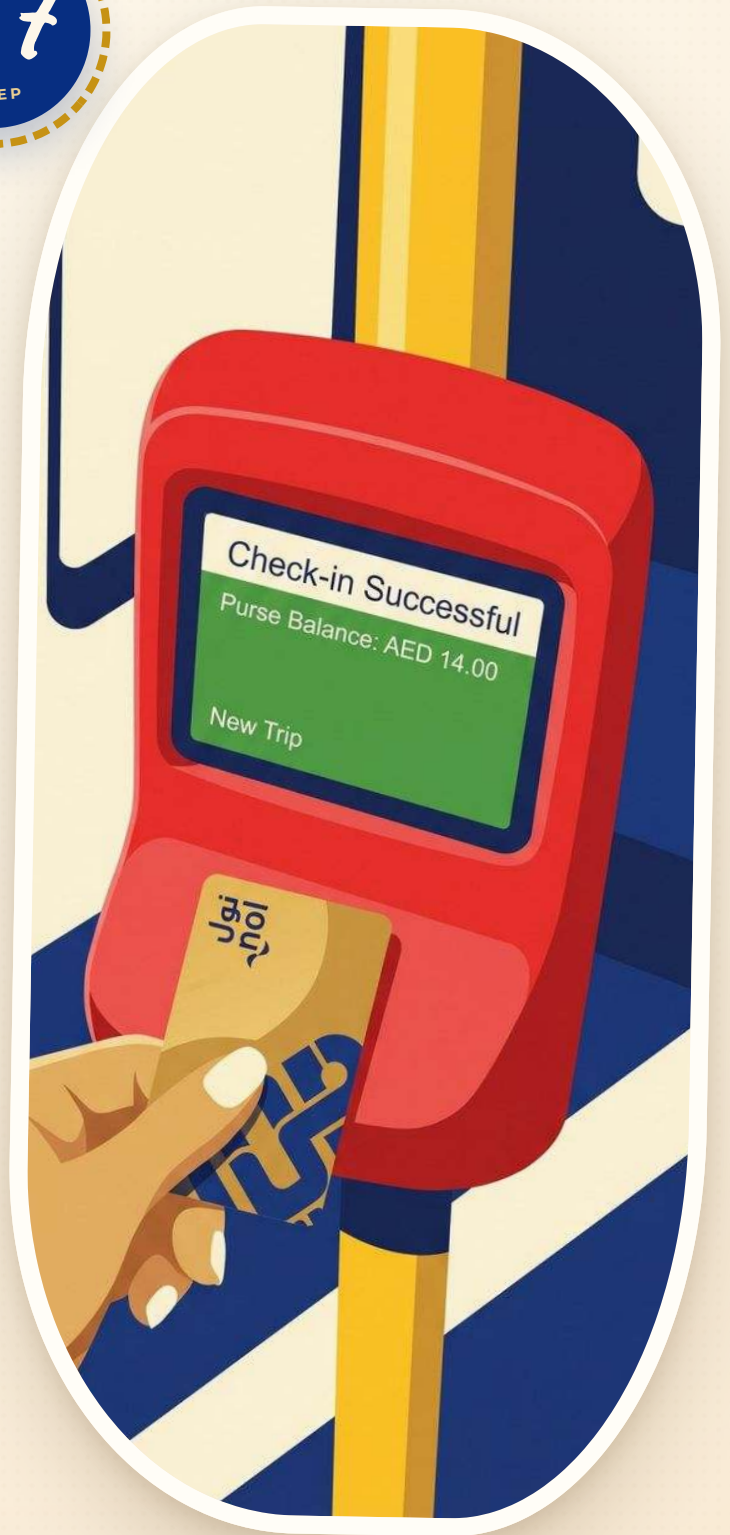

"Does it say J01?
That's the one! Hop
on."

You will see the J01 route plate on the stop.
Hop on when it arrives.

Tap in on the bus

Tap your Nol card on the **red validator** as you board.

"Beep! on the red validator as you board."

Get off at Binghatti Tulip & tap out

Get off at the first stop inside JVC — Binghatti Tulip. Tap your card again on the red validator as you leave (the bus ride costs AED 5). Welcome home!

*"First stop in JVC...
welcome home!"*
